<b>Presentation: Living Wage – Lori Kleinsmith Housing Report – Jeff Sinclair</b>	<p>Lori referred to the Living Wage Report and the Calculation of the Cost of Living, encouraging everyone to read the reports. Said “they are an easy read”. Lori asked Pam to enclose the reports with these meeting minutes and reminded they are on the Website as well. <a href="http://www.wipeoutpoverty.ca">www.wipeoutpoverty.ca</a></p> <p>Lori also shared there will be news soon as to “new Certified Living Wage Employers”. Lori will keep us updated!</p> <p>Lori updated and explained the Wages and Work Task Group is working with the recently elected officials who had signed on the Living Wage pledge. These Councilors have been briefed by Ontario Living Wage and work is moving forward to have Niagara Region and some of the local municipalities become certified as Living Wage Employers.</p> <p>Lori shared the Cost of Living and Living Wage presentation (copy of Power Point will be shared with NPRN Members) and finished with “ongoing steps for NPRN”.</p> <ul style="list-style-type: none"> <li>• Need NPRN organizations to consider becoming Living Wage certified</li> <li>• Need widespread support from NPRN organizations to promote the Living Wage Certification opportunity to Niagara region employers – private, public, and not-for-profit</li> <li>• Need to continue education and advocacy on the biggest drivers of the cost of living expenses – in particular, transportation, child care, and housing.</li> <li>•</li> </ul> <p>Mary Wiley raised the question of how Ontario Living Wage is funded. Lori said they are “ a network of employers, employees, NGOs, non-profits, researchers, and proponents of decent work standards for all Ontario workers”, with just one staff position and funding is accessed through the Atkinson Foundation’s Decent Work Grant Fund and the Kindred Credit Union. <a href="http://www.ontariolivingwage.ca">http://www.ontariolivingwage.ca</a></p>

	<p>Jeff Sinclair, Homelessness Action Plan Advisor, Community Services, Niagara Region. The following are specifically the areas being addressed by working groups:          Housing First. Prevention. Housing Affordability Innovation. Service Hubs. No Wrong Door.</p> <p>Recent impact from the NPRN Housing Task Group on the work of the HHAP:</p> <ul style="list-style-type: none"> <li>• Advocated for greater focus on rent supports at the regional level</li> <li>• Identified need for greater clarity on communication about regional programs + program criteria</li> <li>• Both issues are to be addressed in the revised HHAP</li> </ul> <p>Possible Engagement Opportunities for NPRN</p> <ul style="list-style-type: none"> <li>• Niagara Regional Homelessness Services is committed to engage with the NPRN Task Group</li> <li>• As an independent community voice NPRN could provide comment on:             <ul style="list-style-type: none"> <li>-role of affordable housing in addressing local poverty</li> <li>- connection of jobs wages, income to housing demand</li> <li>- Revised HHAP (to be released in 2019)</li> <li>- Niagara Housing Statement (to be released in 2019)</li> <li>- Progress (or lack of progress) toward meeting local affordable housing needs</li> <li>- housing needs of priority populations with which you are familiar (newcomers, seniors, persons with disability etc.)</li> </ul> </li> <li>• Advocacy (Municipal, Regional, Provincial, Federal)</li> </ul> <p>Jeff will be the voice/link with the Region and will ensure NPRN is kept abreast of any media and issues moving out with regard to Housing and Homelessness.</p>
<p><b>Everyday Advocacy</b></p>	<p>Lori and Jeff lead the discussion and took questions/comments about both presentations. Discussion around re-convening the NPRN Housing Task Group and a sign-up sheet was circulated for interested individuals to leave their name and email and a meeting will be convened ASAP.</p> <p><b>NOTE:</b> If there are any interested individuals who were not at the meeting on Wed. Nov. 28<sup>th</sup> and you wish you participate with the Housing Task Group, please contact <a href="mailto:info@wipeoutpoverty.ca">info@wipeoutpoverty.ca</a></p> <p>An example of the importance of the Task Group was actually experienced during the meeting when Marc Todd referred to the announcement from the Provincial Government with regard to Housing ( <a href="https://news.ontario.ca/mma/en/2018/11/ontarios-government-for-the-people-helping-create-more-housing.html">https://news.ontario.ca/mma/en/2018/11/ontarios-government-for-the-people-helping-create-more-housing.html</a>)</p> <p>There will be a pipeline for communication to ensure NPRN is aware and can respond in a timely manner!          NPRN Housing Task Group will meet in the next few weeks.</p> <p>Jeff suggesting NPRN can reach out to St. Catharines staff for their thoughts as they are moving forward with a Housing Action Plan and NPRN could provide some discussion.</p> <p>Discussion around what Niagara can be doing to help people in the immediate, who are currently struggling in Niagara.
